

26<sup>th</sup> November 2015

Dear Sir

We have recently spent a Sage Block at The Hotel. I was so impressed I felt I had to write to you.

The staff were amazing so helpful and friendly and the Restaurant was incredible. We thought we were given the wrong menu when we arrived on the Friday, the service was superb and every meal was delicious, superb quality and beautifully presented, it really was fine dining.

We shall definitely be back next year

Yours faithfully

Joe Hill / Michael Beach
