Dear Mr Baker

I am writing on behalf of Hayle Community School to thank you very much for your kind donation of a raffle prize for our recent Table Top Sale and Raffle.

We are keen as a school to support the charities who are currently supporting our students and therefore this event supported JDRF (Juvenile Diabetes Research Foundation) the world leading funder of type 1 diabetes research, funding research to cure, treat and ultimately prevent type 1 diabetes. JDRF fund research all over the world and for over 40 years they have been fundamentally involved with the delivery of advances in diabetes research. JDRF is totally focussed on type 1 diabetes and are run by people with type 1, for people with type 1.

We are delighted to advise that with the help of your kind donation, we raised a staggering £600 to support this worthwhile cause and will be presenting a cheque later in the month.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'KH', written over a circular stamp.
