

Firstly Kara who from the moment I spoke to her was so accommodating and nothing was too much trouble. Even on the day she was attentive and more important everything was done with a smile. Great member of staff.

The CHEFS - thank you, absolutely delicious. The meat was exceptional, so well cooked. It just melted in your mouth. Great job!

The waiters were lovely and the fact that we had been given the separate room was a joy. The View goes without saying.

Finally the Receptionists who made paying painless. The icing on the cake!

It was a very successful day and there is no doubt we will return, both singly and as a Group.

You should be very proud of your team and as LOCALS we were proud to be part of a very well run establishment.

PLEASE PASS THIS ON WITH OUR THANKS.
