Dear Cara,

Parish Christmas Meal, Friday 31st January 2014

Thank you so much for organising our parish Christmas meal last Friday evening. It was a great success. Everyone said how the reception facilities, the dining room, the candelabra, the beautiful meal and the swift service all made for a very happy evening. Thank you for the Christmas 'touches' crackers that just add to the occasion. As I said, so much feasting goes on before 25th December, It is good the brighten the dark January evenings as we did. Please give our thanks to all your staff.

Yours sincerely,

Fr. Philip Dyson
