

We just wanted to firstly say thankyou to you, our amazing wedding planner. The day went so smoothly and I know you were busying away behind the scenes and that was such a comfort to know. Nothing was too much trouble for you, even when my pebbles hadnt turned up - you sorted it like magic. I had nothing to worry about at all. You took it all in your stride - Thankyou!

Next, all the staff who were involved. From the reception staff who were courteous and pleasant and really helpful at all times, to the waiting and bar staff who were superb.

Our day really could not have gone any better. I know its a cliché to say it will be the best day of your life, but Chris and I really cant top it - it really was the best day ever!!!

Our guests have commented on the delicious food. One of our friends (hes a bit of a foodie from London) said it was the best wedding food he had ever tasted, so we know coming from him, thats a great compliment!

Most of the guests have said it was the best wedding they have ever been to and meant it. From the venue and its location, to the food, the service, to the entertainment. We were overwhelmed by such a special day!!

So to finish off, i dont know how to thankyou again other than to say Carbis Bay Hotel really made our day so perfect and everything we'd dreamt of. So thankyou thankyou thankyou to you and all the staff
