

Dear Cara

Will you please pass on my thanks to all the staff at the Carbis Bay Hotel who made my special family celebration so memorable, and to yourself of course for carrying out my wishes perfectly.

Everyone enjoyed it and said what a fantastic meal it was.

The children were a bit noisy but hope they didn't upset other guests too much.

My family have been celebrating special occasions at the hotel for over thirty years and have always found staff helpful and efficient.

My grateful thanks to you all
