Dear Sir or Madam

Thank you! We are writing to express our thanks for your donation of a Sunday lunch for 2 for us to raffle at our 50's & 60's fundraising event for Connect Cornwall.

You have helped us to raise an amazing £992 to help towards continued support for people with stroke and aphasia, and it means the world to us.

Wonderful people like you help us to provide the financial and moral support needed for us to continue offering the services vital to those with stroke and aphasia.

We at Connect are continually inspired by the dedication and generosity of donors like you who answer the call to give again and again.

Sincerely,

Michele Cheesman
