Dear Sir,

On behalf of the Royal British Legion, I would like to thank you so much for the very generous donation of £300.00 for the Devon Poppy Appeal in respect of the auction at the Dinner/Dance at Sandy Park for The Somme 19240 project. We really appreciate your support.

We spend £1.6m per week nationally and in our Poppy Appeal 2014/2015, Devon raised £1.1m. This is a tremendous effort by the people of Devon and shows the love and respect they have for the military and the Royal British Legion.

We help veterans, serving military, families and dependents from the first time they ask for our help until they need us no more. With the aftermath of the conflicts in Iraq and Afghanistan, where we are seeing such terrible injuries to our young men and women, the Royal British Legion is needed more than ever.

Please be assured that monies donated to the Royal British Legion Poppy Appeal will be used carefully and sympathetically for the benefit of serving and ex-serving personnel.

We could not support them without donations such as yours.

Thank you so much.

With kind regards.

Yours sincerely,

Carole Arnold
