

All the family — grandparents, parents
and 'the little people' — all of us
wish to thank you and the entire
team at Carbis Bay for
(as one of my grandchildren wrote to me)
— "The bestest holiday ever" !!

Even with marginal weather, it
was a magical week.

Thank you for all you did for us.
Thank you for the memories you gave
our family.

We just can't wait for Aug/Sept 2016!

With our best wishes,

Rod + Angela Ashby-Polman + family
