

Dear Catherine

I would like to thank you and all of the staff at Carbis Bay for making my nieces and her fiancé visit to your hotel and spa last week very very special

Andrea gets married tomorrow and the break including treatments at your spa were just what they needed at this stressful time.

Her second visit did not disappoint the apartment was superb as usual, and the hotel staff could not do enough to make their stay so enjoyable and memorable and the food superb.

I am fortunate to live near to beautiful beaches but believe me nothing compares to Carbis Bay and its fabulous beach and ambience. It's really magic!

I look forward to coming again myself later this year with my Saluki dog and husband

Once again many thanks

Lynn Johnson
