Good Afternoon

I just wanted to drop you an email to thank you for our wonderful stay from 19-21 March. Its always a risk to try a different hotel for a family trip away but we were all so impressed with your hotel & we will definitely be back. All of the staff were wonderful & could not do enough for us. The food was outstanding & we all felt so relaxed in the surroundings. Thank you too for upgrading the couple with the toddler to a larger room, this was a nice touch.

Thanks again
