

Hi Carbis Bay

We wanted to thank you for such an amazing wedding weekend of 23 July. Sorry for the delay. I have put a review on trip advisor.

But we really wanted to write this email to you as its so important to give commendation and praise.

Harriet and Nicole thank you for the help with organisation. Nicole you were amazing on the day, you kept me calm and even when the band arrived seconds before the start time, you had it in control. I knew from that point on I could sit back and enjoy the day knowing we were in great hands.

The staff were all fantastic the reception, waiters, bar staff everyone.

As you know we ate in the beach club the night before the wedding, it was a big group of us. The meal the was excellent, exceeding our expectations, what a great start to the weekend. A special thank you to the chefs that night and to the chefs on our wedding day all the food was brilliant.

We hired the boat on the Sunday which was just a wonderful way to end such a special weekend, thank you Catherine it was perfectly organised and the picnic was just as fantastic as all the food. The crew were lovely too.

If I had one complaint it would be, it was all over too quickly! If I was lucky enough to re-live the weekend I wouldn't change a thing !

Many many thanks to you all, its a weekend we will never forget for all the right reasons.

Best wishes Natalie and Steve
