

Dear Nicole,

Just a little something to say
thank-you for all your effort on
the wedding day.

We loved it. We wish we could
do it all again.

We will have very fond memories
of that beautiful beach that we
we look at often in our pictures.

I recall you lined elephants - so
just a little punning from us.

Best of luck with the future
weddings.

Love
Love,
Love,

wedding - 17th June 2016.
