

My son, daughter and myself stayed with you on 28th Feb and 1st & morning of the 2nd March, in Oak Cottage.

Just wanted to say what a fantastic cottage it is, you simply couldn't find a nicer, or well appointed cottage, with everything you could ever want. It was so nice and quiet there, best two nights sleep I have had for two years.

My daughter has stayed in Oak Cottage twice before and was always telling me how wonderful it was staying there, we found out that she was more than correct.

All three of us enjoyed the breakfast, which was excellent, with the fastest service I have ever known, with great Staff who always acknowledged us with a cherry 'good morning' etc.

Thank you for such a fantastic stay, my daughter used the Spa, but son and I forgot our trunks so no 'hot tub' or Sauna.

Thanks again, we are already looking for dates for Oak Cottage later in the year.

Regards,
