

Dear Maxine,

Thank you very much for all you did on Saturday. We had a fabulous day and what a bout the weather!!!? wasn't it just perfect ?

All our guests loved the hotel and location and your staff were exceptional we wouldn't change one thing about the whole day. Everyone agreed that the food was delicious and the atmosphere in the hotel was very happy and pleasing one. Some of our relatives had never been to Cornwall so we are so glad they saw it in all its beauty. Many of our guests commented that your good self was very exuberant and fun the perfect hostess. So a BIG THANK YOU to you and all your staff for a lovely day and evening.
