

Dear Nicole

Greetings from sunny (at the moment) Shepperton. We had a good journey home and are back in the "Red Race" of Suburbia, missing beautiful Corbis Bay and Cornwall. How lucky you are to live in such a peaceful, friendly place.

I want to say a very big THANK YOU to you and all your staff for making our stay with you last week so memorable. You personally made me feel special, like being with family, and the food your chefs produced for me was delicious. I have never had so much attention and loving care anywhere in the world and I shall never forget it. So thank you for making an old lady very happy.

I sincerely hope we may be able to return

to Corbis Bay Hotel very soon - maybe in Spring of next year, health permitting.

In the meantime I wish you every success in your career and again

THANK YOU TO YOU AND
ALL YOUR STAFF

...for everything.

Sincerely

Rosalyn Common.
