*Just Perfect for a Family Day Out*

Whether you want to have family fun or simply relax, Sulis really has it all with a modern sleek interior and an impressive list of on board equipment including television with surround sound, DVD player, Ipod and both 12v and 240 v for charging your computer or phone accessories. Sulis is one of the finest vessels available for charter in the South West and provides great fun both for adults and children. Full washroom and shower facilities are available on board. DVDs, fishing and crabbing lines are available to amuse the children while you enjoy a glass of chilled champagne or afternoon tea on the aft deck, which is perfect for cosy or informal dining.

*Sightseeing in style*

We can prepare tailor-made itineraries to suit all your requirements including the calm waters of the Fal Estuary, the beauty of Frenchman's Creek in the Helford River, a cruise along the coast to Fowey or even a trip to the stunning Isles of Scilly.

## *Sit back and relax*

The South West provides an excellent boating area and there are many magical coves and inlets to explore from Land's End to Dartmouth and Salcombe.

Imagine your very own motor yacht for the day, cruising along the Cornish Coast. The flybridge is designed for guests to spend quality time outdoors with plenty of seating and sun pads.

## *Let our business be your business*

**Corporate, Wedding and Group Charter**  
Chartering a luxury motor yacht has to be the ultimate way to experience the Cornish coastline either for a special celebration or as a team-building and motivating event.

Our team will help with all aspects of your charter, including transfers, suggested itineraries, logistics, catering and even client gifts. Whether you are holding a management meeting or a staff incentive day, we can create a corporate package in a totally unique setting.
